

ITECA Member Benefit Dual Sector Provider Interest Group

It can be a daunting task to manage an independent tertiary education provider operating in both the higher education sector and the vocational education and training sector. It's good to know that you're not alone and the Independent Tertiary Education Council Australia (ITECA) allows you to be active within a growing community of professionals who share your challenge.

The **ITECA Dual Sector Provider Interest Group** brings together professionals across the **ITECA membership** that, just like you, know the challenge of working with the Tertiary Education Quality and Standards Agency (TEQSA), the Australian Skills Quality Authority (ASQA) and at least two, and often more, funding providers.

ITECA Membership – Empowering Dual Sector Providers

- Promoting the benefits of TEQSA and ASQA regulatory convergence.
- Understanding how to support students with VET and FEE-HELP programs.
- Discussing the synergies that make best use of operating in two sectors.

Importantly, participation in the **ITECA Dual Sector Provider Interest Group** allows you to work alongside ITECA's policy team based in Canberra who, because they are in frequent contact with both TEQSA and ASQA, have a nuanced understanding of the issues before your organisation.

Participation in the **ITECA Dual Sector Provider Interest Group** is an exclusive opportunity that comes with **ITECA membership**.

Take the next step and make the most of **ITECA membership**. Simply send an email to membership@iteca.edu.au or telephone 1300 421 017.

It's never been a better time to get involved.

The Independent Tertiary Education Council Australia (ITECA) is the peak body representing independent providers in the higher education, vocational education, training and skills sectors.

ITECA's members are united, informed and influential.

Members come together, through ITECA, to create an environment in which providers can offer students and their employers the quality outcomes they are looking for.

If you're interested in working with others that share your commitment to quality in order to improve the reputation of the independent tertiary education sector, get involved today.
